

Debbie Usrey Harvill, CPM®

Chief Operating Officer

As Chief Operating Officer, Debbie is responsible for the management of the company's operating units, including oversight of the Commercial, Retail, Industrial and Single Family property management operations. Debbie is also responsible for the company's leasing and consulting efforts throughout the Gulf South.

Debbie brings over 30 years of property management experience to her position, nearly half of that at Latter & Blum. Her career highlights include:

- Management of virtually every type of residential and commercial real estate investment
- Maintains focus on the profitability of your investment -- achieving and exceeding your goals
- Extensive knowledge of property management along with leasing and supervisory skills
- Expertise in construction management, property analysis and tenant retention
- Accomplishments while working with industry leaders such as C.J. Brown, Inc., and Johnson Properties, Inc. have earned her numerous awards of recognition
