

Janie Cherry

*Branch Manager,
French Quarter Division*

As Branch Manager for Latter & Blum Property Management's French Quarter office, Janie oversees the management of a large portfolio of historic properties including commercial, retail, residential and mixed-use properties.

Janie brings over 35 years of housing industry experience to her position, much of it in management positions. She is a former Executive Director of the Louisiana Real Estate Commission and the Appraisal Certification Board. She has also owned and managed her own residential real estate office, and has over 12 years experience as a residential sales professional.

As Executive Vice President for a trade association in the home building industry, Janie directed the efforts of state and local associations in managing existing programs, developing new programs and lobbying the legislature on housing related issues.

Janie is known for her attention to detail, personal commitment to the success of properties she manages, and her communication skills.
