

Virginia L. Sealy, CPM®

Branch Manager - Lafayette

Virginia Sealy's real estate experience dates back to 1986. Her powerful combination of marketing and management expertise has been instrumental in making Latter & Blum Property Management an industry leader in the Acadiana region. Career highlights include:

- Successful marketing of investment properties for independent developers, as well as some of the largest and most well respected major companies
- A transition into property management, resulting in her broad experience in the management of commercial properties
- Responsibilities including the management of up to 400,000 square feet of commercial space
- She currently manages very diverse portfolios including full-service executive suites, medical office buildings, retail centers, and business office buildings
