

**Debbie Usrey Harvill, CPM®**

Executive Vice President/  
Chief Operating Officer

### Executive Summary

As Executive Vice-President and Chief Operating Officer, Debbie is responsible for daily management of all company operations, including Commercial, Retail, Industrial and Single Family property management as well as associated maintenance activities. Debbie is also responsible for the company's leasing and consulting efforts throughout the Gulf South.

Debbie brings over 35 years of property management experience to her position. Throughout her career, Debbie has management experience of virtually every type of residential and commercial real estate investment. Her experience allows her to maintain focus on the profitability of your investment – achieving and exceeding your goals. Debbie maintains extensive knowledge of property management and expertise in construction management, property analysis and tenant retention. Her accomplishments while working with industry leaders such as C.J. Brown, Inc., and JohnsonProperties, Inc. have earned her numerous awards of recognition.
