

Kathline Malone

Risk Management Specialist

Executive Summary

As a Risk Manager Specialist, Kathline is a primary interface with our attorneys, various insurance carriers, and those involved with legal matters and any litigation that arises. Kathline is implementing new procedures for incident reporting and follow up as well as expanding our Safety Program. Kathline is visiting properties to have another set of eyes on the properties and to see if any changes need to be made to better our management of the property for the owners, tenants, and vendors.

Her experience as a licensed property, casualty, and worker's compensation adjuster for over 25 years brings immense knowledge in all sorts of legal situations including claims processing, mitigating damages, litigation, mediations, and subrogation. The art of negotiation is definitely in her repertoire of talents. The last five years, Kathline was a Risk Manager for a large Heavy Construction Company. Kathline's responsibilities included staff supervision; policy and procedure creation and implementation; handling all insurance matters from audits, renewals, going to the marketplace to get the best coverage for the business. Kathline worked closely with the equipment manager to make sure all heavy equipment and the fleet were properly insured and accounted for at all times.

Kathline earned a Bachelor of Arts degree in Economics with a minor in Business Administration and Studio Arts from Hollins University. Kathline enjoys learning and frequently takes classes at Tulane University. Kathline is presently a member of the Louisiana Claims Association and keeps up with her Louisiana Claims Adjuster License. Kathline's educational background as well as her work experience is a proven asset to the company.
